

WHO WE ARE AND WHAT WE DO

Footlights is a twice award-winning provider of educational activities in schools, colleges, businesses and the community.

To inform, engage and encourage parents on how to keep their children safe online.

Cyber Bullying - What is it? How does it happen? How to deal with it and stop it happening?

Child Sexual Exploitation - Exploitation, models of grooming, how it happens?

Radicalisation and Extremism - What are the risks to our children through the internet?

Inappropriate Content - Sexualised Images; Dialogue; Graphic Violence

Gaming and the Law - Age appropriate games; why content guidelines are important

Parental Controls and Internet Filters – What they are and how to set them up

Internet Browser Security - What? Why? How?

WHO BENEFITS AND HOW?

Parents/Carers/Guardians/Teachers and other professionals that work with children and young people.

HOW LONG IS THE WORKSHOP?

90 minute interactive workshop aimed at stimulating discussion around being a good digital parent.

Available for all schools and community groups with an opportunity for post-session questions and answers which will be tailored to address specific awareness needs. This session can be linked to your whole school community online safety approach.

WHEN AND WHERE?

We have dates available from 29th February and throughout the school year. This is a very busy course as you can appreciate so early booking is recommended.
