

Thank you Kingsway Community Trust!

A special thank you from Retrak

Over the past two years, your trust has taken part in lots of fundraising activities to support Retrak.

Can you think of any examples?

Teachers taking part in the Great Manchester Run two years in a row

International day of the street child

Christmas cards project

Visit from the Student Leaders

Arts, crafts and activities in the classroom

We also took the money you raised for us last year, and had it 'match funded' by another charity.

This means, all the money you raised last year was **DOUBLED!**

So in total, over the last 2 years, you raised a total of....

£7,053.98

...Wow!

There are so many ways in which this huge sum of money could help to support the children in our care.

Can anyone think of an example of how Retrak, and your money, could help children at our centres?

Thank you!
